

ADOPT-A-FAMILY CHRISTMAS PROGRAM HOW TO ADOPT A FAMILY OR INDIVIDUAL

Adopters have a variety of options. Families with children, adult individuals, senior citizens or multi-generation families are available and adopters can select as many families as they would like. Once the type of family has been determined, adopters review info sheets for several families fitting the criteria. Info sheets include clothing, shoe sizes and other items on each family member's wish list. Reviews can be done by email, fax, at our office or by mail. Families will be available for review starting **Monday, Nov. 12**. After reviewing, adopters should notify the agency which family(ies) they would like to adopt.

If adopting a family with children we ask adopters to provide at least one new gift for each child. If adopting a young child, preferably the gift would be a toy. Gifts for the parents are at the adopters' discretion. Family holiday food baskets are also available. (Please note on the application if the family requested food.) If adopting an individual or a senior citizen, we ask the adopter to provide either a gift or a food basket. Adopters determine how much more they would like to provide.

Adopters have the option of giving gifts, gift certificates and/or holiday food baskets. If gifts – adopters shop for the gifts. (Wrapping gifts is optional.) If giving gift certificates or holiday food baskets – they can be purchased from a store or through our agency. Our agency will have holiday food baskets available starting **Monday, Dec. 17 for \$70.00 each**. A food basket consists of the traditional Christmas dinner food items and other staples.

You are welcome to make contact with the family to let them know of the adoption. They should be able to provide any additional information needed. It is also good to set a time and date for delivering gifts. Adopters can also choose to remain anonymous. If adopters choose anonymity, gifts should be delivered to our agency no later than **Wednesday, Dec. 19**. Our staff will contact the family to make arrangements.

To help with selection, our staff will need the following information. Upon completion, please email, call, fax or mail the form to our agency. We will then send you a variety of info sheets to review.
