The agency/service provider may be either government or non-profit 501-(C). For-profit organizations and unincorporated groups meeting critical human service needs, which are not covered by a governmental or non-profit organization, may also be included following review.

### Disclaimer:

Special conditions may apply for agencies and or programs that serve vulnerable populations, programs will be reviewed for inclusion. Inclusion of a program/service does not in any way represent or imply a determination or approval of the quality of those services; nor does it imply endorsement by AFL-CIO Community Services.
