

## RENTAL PROPERTY LIST

This Rental Property List is composed of a variety of property owners. This list includes studios, single-family homes, apartments, trailers, duplexes, and multiple unit complexes. The list contains details about the properties, rent structure and features. Our agency is not a direct housing locator service. It is your responsibility to contact any facilities that you are interested in and ask if they have a vacancy.

**Features:** Some facilities are listed as *income restrictions* meaning your income must be at or below a certain amount to qualify.

**Accepts Housing:** Some facilities accept different forms of subsidized housing. It will be noted under this column. Subsidized Housing is government supported financial assistance for people with low to moderate incomes. To apply or make inquiries about subsidized housing contact the agencies below. You are not required to apply for subsidized housing but, if you don't, you will then be required to pay the full amount of rent. For those that list HA, you must first contact the property owner for availability and in addition apply for the subsidized housing assistance.

**HA - Housing Authority** – You must go to the Housing Authority and apply for the subsidized housing assistance. St Joseph Public Housing Authority, 2902 South 36<sup>th</sup> St, St Joseph, MO, 816-236-8200

**CHM - Community Housing Management** – You must apply at each of the facilities. Rent is figured at 30% of income with the exception of Danford Hall.
